HISTORY OF LUMINARIA

Luminaria was started in the Riverside Avondale area by Jerry Spinks, neighbor and member of Riverside Avondale Preservation, years before the area was declared a historic district.

It has since become one of the premier holiday events in Jacksonville and a legacy for the Riverside Avondale neighborhood. Luminaria is a wonderful example of community pride and dedication to our neighborhood.

The event is community driven, involving many volunteers, and includes events planned and coordinated throughout the Historic District. Luminaria continues to be one of RAP's biggest fundraisers, the Historic District's signature holiday event, and a family-friendly way to celebrate the season.

OUR SPONSORS

HOW TO BUILD A BAG

Purchase official Luminaria bags from the RAP office or vouchers at RAM

- ① Open the paper bag, fold down the top inch to create a lip at the top of the bag. Fold over again.
- ② Put enough sand or dirt in the bottom of the bag to keep a votive candle upright, about 1/2 - 1" deep.
- ③ Place a votive candle in the bottom center of each bag.
- ④ Take the filled bags you have made and place them every 18-36 inches along your chosen driveways, sidewalks and curbs around your home.
- ⑤ Light and enjoy your neighborhood!

JOIN REGIONS BANK + RIVERSIDE AVONDALE PRESERVATION
at **Candles and Cocktails** on December 7th from 5:30 - 7:30 pm

Preserving Community

You value and support our institutions, embrace architectural and cultural diversity and appreciate the quality of life in the neighborhood. For over 40 years, our members and volunteers have worked to enrich and revitalize our historic community.

At Riverside Avondale Preservation, we share your passion. Join our mission of preserving and protecting the architecture, history, culture and economic vitality of Riverside Avondale. Become a member today.
